ABOUT US

ALIUMINES VALTYS is a supplier of aluminium boats and marine equipment based in Kaunas, Lithuania.

This catalogue covers a wide range of marine hardware: anchors and anchor accessories, cleats and bollards, fairleads and chocks, deck and hatch hinges, handrails and rail fittings, ladders and swim platforms, steering wheels, rod and cup holders, vents, floor drains, thru-hull outlets, strainers, latches and locks.

Products are made of marine grade stainless steel AISI 304 and AISI 316, aluminium alloys, brass, nylon and ABS plastic.

Every table lists dimensions (mm), size and weight, so the right model is easy to pick. Need an item that is not listed, or a larger quantity? Get in touch and we will prepare an offer.
